Water Safety

Most boating mishaps involve capsizing, falls overboard and collisions. About 90% of all fatalities are caused by drowning, and in nearly all cases personal floatation (PFD's) were NOT used.

COMMAND TEAM CORNER

LTC Brents & CSM Lofton

- We would like to personally thank you for your hard work and dedication to the mission and taking care of Soldiers. This is evident in your support to the Army Emergency Relief (AER) campaign. The AER campaign has gotten off to a great start. The number of contacts and contributions have well surpassed the amounts from the same time period last year. The campaign is open until the 15th of May. Again, thank you for taking care of Soldiers and families who need this assistance.

- As summer nears the weather starts to get increasingly warmer, please be aware of the effect the southern heat has on all of us. Use caution when participating in outdoor activities.

- Also, let's never forget our comrades deployed in harms way fighting the

TSB / NCOA Compete for Post Volleyball Championship!

The Training Support Battalion defeated NCOA on Thursday, 20 April. It was a hard fought battle that ended around 2130. Thank you to all who came out to see the SSI go one-two in this year's intramural volleyball season.

Congratulations to MAJ Sturdivant (TDD), MSG Lamison (B Co.), SFC Borne, SFC Rivera (NCOA), SFC Lewis, SFC Magallanas (AITD) and SFC Clarke (FIS), on their recent promotions.

Congratulations to the many new SSG(P) on their selection to SFC. Congratulations to SFC Jones (B, TSB) on his re-enlistment.
